Goals

What are goals?

Goals are an effective way to set benchmarks and get tasks done. Setting excellent goals start with SMART.

Specific - What do I want to achieve?

Measurable - How many, What level, etc...

Attainable - Can I reach this Goal?

Relevant - Does it relate to you?

Timely - Is there a specific date you want to complete this goal?

Discussion:

1. Imagine you are a 10 year old who just joined Scouts BSA. You set a goal for yourself: *I would like to become an Eagle Scout.* Is this a SMART goal? Talk this over with your Chapter or Unit.

2. What are some of your goals in Scouting?

What are some goals that your Chapter has set? You should have at least 3 goals.

How is your Chapter doing toward meeting your goals for this term?

Are there any adjustments that your Chapter needs to make to meet these goals?

Tiwahe Lodge goals will be available in the next Lodger.
